SQOOM antiAge - touted a sonic miracle, with fans claiming skin lifting and toning benefits akin to that of a super-facial, this device has six beauty programmes and comes with topicals that deep-cleanse, feed and even treat age spots. Made in Germany, it's set to attract the same attention as last year's fantastically popular Clarisonic cleanser, and goes on counter at Harrods on 1 March. £329, sqoom.de .
